

St Francis
CATHOLIC COLLEGE

Year 11 2027

Student Subject Selection Session

Acknowledgement of Country

St Francis Catholic College honours our First Nations People by fostering a shared sense of belonging for all Australians, and we acknowledge the Wurundjeri people, traditional custodians of the land on which St Francis Catholic College stands.

Prayer

Creator God,
I ask for Your wisdom as I face choices.
Give me discernment to see clearly and the courage to act on Your will.
Help me trust Your timing and not my own understanding. In Jesus'
name,
Amen.

Pathways

1. Victorian Certificate of Education (VCE)
2. Victorian Certificate of Education Vocational Major (VCE VM)
3. Victorian Pathways Certificate (VPC)

Pathway options for VCE students

VCE
or
VCE VM

Pre-Apprenticeships
Apprenticeship

- Tertiary (University) Education (ATAR usually required)
- Higher Education (TAFE): VET (Cert I, II, III or IV)

Employment

VCE

VCE subjects

Units 1/2

These refer to Units (subjects) generally undertaken in Year 11.

Units 3/4

These are completed as a sequence and are generally undertaken in Year 12 (unless accelerating).

Outcomes

- Define what students will know and be able to do as a result of undertaking a study.
- Are the basis for satisfactory completion of a VCE unit.
- Each VCE unit includes a set of two to four outcomes.

VCE Assessment

For Unit 1/2 subjects (Year 11) all assessments are school-based.

- Assessment Tasks.

For Unit 3/4 subjects (Year 12) there are two forms of school-based assessment, depending on the subject requirements:

- School-assessed Coursework (SACs): tests, essays, source analysis, etc.
- School-assessed Tasks (SATs): folios, practical assessments, etc.

There are also external examinations for Unit 3/4 subjects.

Selecting VCE subjects

Year 11

VCE students must select:

- 1 RE subject
- 1 English subject (2 units)
- 5 other subjects (10 units)

Year 12

VCE students must select:

- 1 RE subject
- 1 English subject (2 units)
- 4 other subjects (8 units)

VCE Religious Education

Religious Education is compulsory for all Year 11 and 12 students.

Year 11

- Option 1: Text and Traditions Unit 1
- Option 2: Religion and Society Units 3/4

(Accelerated VCE study is unavailable for selection without prior approval.)

Year 12

- Option 1: Religion and Society Unit 2
- Option 2: Religion and Society Units 3/4 (if not studied in Year 11)

Your Year 10 RE teacher will help you select the best option for you.

VCE English

English is compulsory. You must complete a sequence of 3 English units to attain your VCE certificate.

There are three options you can select from:

- English
- Literature*
- English Language*

** Please discuss selection of these subjects with your English teacher prior to making your decision. They will be able to help you understand the requirements of the subject.*

VCE Mathematics

Mathematics is not compulsory in VCE but is required for many tertiary courses.

Remember to check the prerequisites for courses of interest.

Mathematics subjects include:

- Foundation Mathematics
- General Mathematics
- Mathematical Methods*
- Specialist Mathematics (Must be selected in conjunction with Methods)*

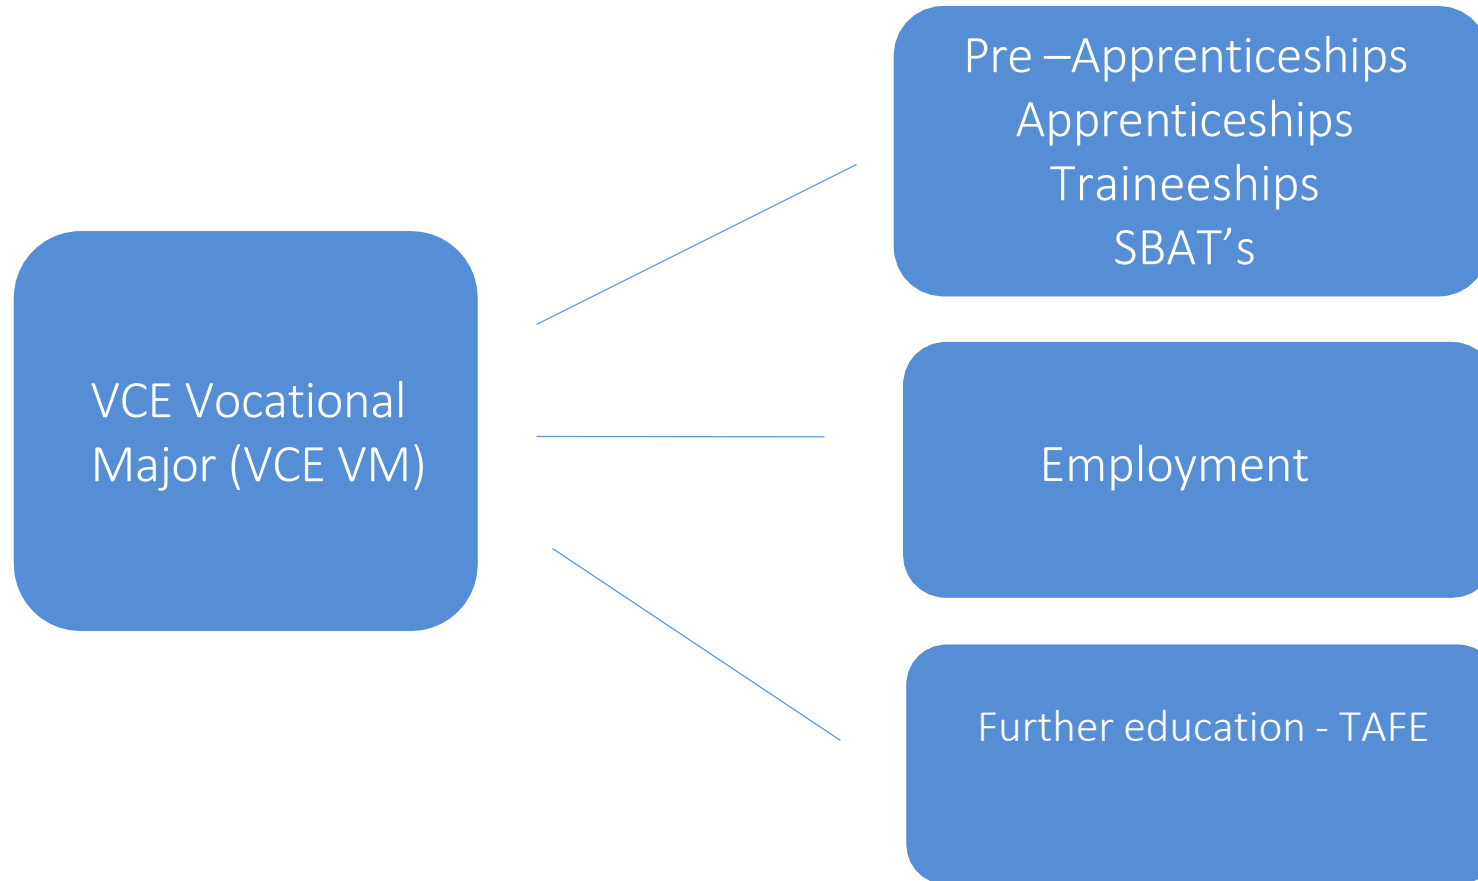

** Please discuss your selection of these subjects with your mathematics teacher prior to making your decision. They will be able to help you understand the requirements of the subject.*

Applied Learning

Pathway options for VCE VM students

Aims of the VCE VM

- To equip students with the knowledge, skills and capabilities to be lifelong learners.
- Empowers students to make informed decisions about their career pathway through real-life learning and workplace experiences.

VCE VM requirements

Students must undertake between 16 and 20 units over the two years of their VCE VM study, including:

- 3 VCE VM Literacy units (including a Unit 3/4 sequence).
- 2 VCE VM Numeracy or VCE General Mathematics units.
- 2 VCE VM Work Related Skills (WRS) units.
- 2 VCE VM Personal Development Skills (PDS) units.
- 2 VET credits at Certificate II level or above (180 nominal hours).

VCE VM options

- Year 11 students may choose VCE General Mathematics in place of VCE VM Numeracy.
- Students who select General Mathematics as part of a VCE VM program must discuss this with their Year 10 Mathematics teacher.
- An approved application is required before students select VCE General Mathematics within their VCE VM program.

Structure of VCE VM

| | |
|-----------|---------------------------------------|
| Monday | Classes on-site |
| Tuesday | Classes on-site OR VET/Work Placement |
| Wednesday | Work Placement/VET |
| Thursday | Classes on-site OR Work Placement/VET |
| Friday | Classes on-site |

VET

VET

- VET is a **compulsory** part of **VCE VM**. A student may also undertake a scored VET subject as part of a VCE program.
- You can see which VET subjects are available in each program in our [Subject Selection Handbook](#).
- Most VCE VM students will access blocked or full-day VET programs within their program.
- VCE students undertaking a VET subject in a block that requires them to miss some of their VCE subject lessons are responsible for catching up on any missed work in their own time. Other VET subjects available to VCE students will run within timetabled classes.
- Applications are required from VCE students before selecting a blocked VET subject.

VET AND VCE VM

- Each VET qualification offered to VCE VM students provides the opportunity to complete the minimum requirement of 180 hours of VET training required to achieve the VCE VM certificate.
- VET operates under strict governance relating to attendance, submission of work, and completion of practical and theory-based assessments.
- **Students who do not successfully complete their VET training in Year 11 will find it more difficult to reach the required number of VET nominal hours in Year 12.**
- Students who do not meet the minimum 180 hours of VET over two years cannot successfully complete the full VCE VM Certificate.

Structured Workplace Learning (SWL)

Structured workplace learning is a compulsory component of VCE VM at the College.

Structured workplace learning is on-the-job training that gives students the opportunity to master a set of skills or competencies.

The placement should be related to a student's VET course and must be scheduled for the student's non-TAFE/VET day.

Students are responsible for sourcing their own work placements and logbook maintenance.

VET Subjects through local Clusters

Alongside the VET subjects we offer directly at the College, students also have access to subjects offered through our affiliated clusters:

- Western Edge Cluster
- Brimbank Cluster

This allows us to offer a greater number of VET opportunities to our students.

Regardless of the location of training, all VET programs require a rigorous and dedicated approach from the student.

The VET Coordinator will help students find the VET course of their choice.

Pathways After School

Prerequisites

Prerequisites are subjects that a student must study to pursue further study after finishing school.

Prerequisites exist for University and some TAFE courses. Students should use the [VTAC course search](#) to research prerequisites.

It will also show other requirements, such as portfolios and/or selection tasks.

Other forms of training

Apprenticeship or Traineeship

- Learn skills in a particular industry by working and training within the workforce.
- In most cases, there is on-the-job training as well, usually with a TAFE institute or a private training provider.
- Skills and qualifications are recognised across Australia, and by employers in your industry.
- Apprenticeships usually take three to four years to complete.
- Traineeships usually involve training including coursework over a 12-month period.

Pathways

Four things to consider when choosing your pathway.

1. What career do you want to pursue?
2. What are you good at?
3. What do you enjoy?
4. Prerequisites and recommended subjects, for future study / work.

Subject selection dates 2026

Wednesday 6 May

Subject pre-selection forms were emailed to all Year 11 students. This will help us plan for 2027. Completed forms were due on Friday 8 May.

Wednesday 24 June

Subject Selection Expo – **3.30pm-8.30pm** (at Melton Campus)

Thursday 25 June

Online subject selection **opens at 8am**. Students to receive their unique code via email.

Friday 17 July

Online subject selection **closes at 9am**.

What if I don't get my first choices?

Occasionally, subjects may not go ahead due to a variety of reasons, for example low student interest.

While this can be disappointing, it's a normal part of the process.

To help manage this, we encourage you to thoughtfully choose reserve subjects, so you have strong alternatives available.

Subject Changes

- There are dates allocated for subject changes during the year. These dates are provided to students and families via the Simon calendar.
- Subject changes will not be approved outside of those dates. It is important that students select carefully, as they will need to remain in those subjects until subject changes open.
- When a subject change is requested, there is no guarantee it can be made. The subject a student would like to change into might already be full. It might also not run at a time that allows them, within their own timetable, to switch to it.

Planning Sheet – VCE Pathway

Year 10 into 11 Planning Sheet: VCE Pathway 2027

Name: _____

Homeroom: _____

What do you want to do when you finish school? _____

Completing your subject selection form online

- Go to www.schooldata.com.au
- Your login is your College email address (STUDENTID@sfcc.vic.edu.au)
- No password is required – if an additional login step is asked for, please go to the Microsoft symbol 
- This will bring you to your SchoolData Dashboard – the Pre-Selection form will be at the bottom under 'My Forms'
- Access needs to be OPEN (Green) in order for you to complete it

The screenshot shows the SchoolData dashboard interface. At the top, there is a blue header with the SchoolData logo. Below the header, the text "My SchoolData Dashboard" is displayed. A greeting "Good morning" is followed by a redacted name. The main content area is divided into two sections: "My details" and "My forms".

My details

| | |
|--------------|---|
| School | St Francis Catholic College (Melton and Cobblebank) |
| Name | [Redacted] |
| Email | [Redacted]@sfcc.vic.edu.au |
| Year | 10 |
| Student Code | [Redacted] |
| Home Group | [Redacted] |
| House | [Redacted] |

My forms

| Access | Status | Form Title |
|----------------------|---|--|
| Open |  | 2027 Pre-Selection Form - Year 11 2027 (M) |

Help completing your Subject Selection form

If you have any questions, please reach out to the following people.

Subject questions: teachers, House Leaders, Domain Leaders, VET Coordinator, Applied Learning Leader (VCE VM) or Senior Years Leader (VCE).

Pathways questions: Mr Kris Vallak and Ms Belinda Abela.

SchoolData questions: Ms Jennifer Frisardi, Mr Bradley Heeps and Ms Mal Allison.

**Subject Selection will be open from
Thursday 25 June – Friday 17 July**
