

Works notification

Coburns Road closures and night works

We're removing four dangerous and congested level crossings at Coburns, Exford and Ferris roads in Melton, and Hopkins Road in Truganina to make Melton boom gate free in 2026. We're also building a new modern and accessible Melton Station.

What we're doing

We'll be closing Coburns Road at the level crossing at times in **December** to continue building the new rail bridge. Detours will be in place. Visit levelcrossings.vic.gov.au/melton under disruptions for closure dates and times when confirmed. Please see map over the page.

We'll also be working within the rail corridor at night to install rail bridge retaining wall segments from **9pm to 4am each night from Sunday 7 December to Wednesday 10 December**.

While we complete these works there will be service changes on the Ballarat, Ararat and Maryborough lines from **9pm, Sunday 7 December to last service, Tuesday 9 December**.

Visit transport.vic.gov.au for more information and to plan your journey. Please allow extra travel time.

Where and when we'll be working

Location	Date and time	Activity
Coburns Road, between Staughton Street and James Melrose Drive	9am to 3pm, as required from Monday 1 December to Friday 19 December	Coburns Road closed to pour concrete into the new rail bridge
In the rail corridor from Exford Road to Toolern Creek	9pm to 4am, each night Sunday 7 December to Wednesday 10 December	Install rail bridge retaining wall

What to expect

- Traffic delays due to road closures
- An increase in noise and traffic movement in the area
- Increased construction workers and vehicles in the area
- Additional lighting and noise at night
- Dust to be minimised with watercarts

contact@levelcrossings.vic.gov.au

For languages other than English, please call 9209 0147.

Please contact us if you would like this information in an accessible format. If you need assistance due to a hearing or speech impairment, visit relayservice.gov.au

Traffic management and signage will be in place during closures to help you move around the area. Access to homes, schools and businesses will be maintained with detours in place.

We'll make every effort to complete works on schedule; however dates and times are subject to change.

End of year shutdown period

There will be no construction activity during the holiday period. Works will finish on **Friday 19 December** and begin again on **Monday 5 January 2026**.
