

Works notification

Night and 24 hour works in October

We've removed the level crossings at Coburns, Exford and Ferris roads in Melton and at Hopkins Road in Truganina and the new accessible Melton Station is open to passengers.

Thank you for your patience while we're putting the finishing touches on the Melton Station precinct until early 2027. Works are continuing on the northern forecourt, air-conditioned waiting room, toilet facilities, bus interchange, landscaping and car parks.

What we're doing

We'll be working at night in and around the rail corridor between Coburns Road and Ferris Road from **9pm to 4am each night, Sunday 11 October to Tuesday 13 October.**

We'll also be working 24 hours a day in and around the rail corridor between Coburns Road and Ferris Road from **10pm, Friday 16 October to 4am, Monday 19 October.**

There will also be ongoing works in and around the Melton Station precinct until early 2027.

Where and when we'll be working

Location	Date and time	Activity
Within the Melton Station precinct	From Sunday 11 October to Monday 19 October	Station completion works including glazing, cladding, painting and platform works
Staughton Street between Coburns and Exford roads	From Saturday 10 October until late 2026	- Short term shared path closures with pedestrian detours in place - Overnight works as required - Short term lane closures - Short term closure of the pick up and drop off bay - Bus bay 1 (routes 454, 453 & FlexiRide) temporarily relocated to the pick up and drop off bay
Southern Melton Station car park on Staughton Street	Until late 2026	Staged temporary car space closures with up to 30 car spaces closed at a time
Brooklyn Road between Hazel Street and Exford Road	From Saturday 10 October to late 2026	- Short term lane closures and on street parking removal as required - Ongoing footpath closures with detours in place - Overnight road closure as required for traffic barrier movements

Please contact us if you would like this information in an accessible format. If you need assistance due to a hearing or speech impairment, visit relayservice.gov.au

What to expect

- Works 24 hours a day, with increased lighting, noise and vibration in the area
- Traffic delays with detours in place
- Increased truck and construction vehicle movements
- Dust minimised with watercarts.

Traffic management and signage will be in place to help you move around the area and access to homes and businesses will be maintained.

We'll make every effort to complete works on schedule; however, dates and times are subject to change.

Changes to the way you travel

While we complete these works, there will be service changes on the Ballarat, Ararat and Maryborough lines:

- Coaches replace evening trains between Southern Cross Station and Wendouree Station from **Sunday 11 October until Wednesday 14 October and on Friday 16 October.**
- Coaches replace all trains between Bacchus Marsh Station and Caroline Springs Station from **first service on Saturday 17 October until last service on Sunday 18 October.**

Please allow extra travel time. For more information and to plan your journey, visit transport.vic.gov.au

More information

If you have any questions or would like more information about the project, please call us on **1800 105 105** or email levelcrossings@bigbuild.vic.gov.au, 24 hours a day, seven days a week.

Kind regards,
Melton level crossing removal project
